

QUARK

HOTEL MILANO

TOGETHER

Immersive high-tech Experiences.
THE FUTURE OF EVENTS IS HERE.

WELCOME

The future of events is here.

With the 2.0 evolution, the Quark Conference Center becomes the most **advanced event hub in Milan: 6,200 sqm of spaces across three levels**, completely redesigned as black-box environments, with **immersive technologies and next-generation AVL infrastructure**.

Located in the Bocconi district, just 4 km from the Duomo, it offers a strategic venue for congresses, conventions and product launches, supported by an exceptional F&B and banqueting offer based on fresh, plant-forward ingredients rooted in regional Italian tradition.

PHILOSOPHY

Complexity becomes inspiration.

We design and deliver large-scale, international-minded events side by side with clients and partners, blending **strategic thinking with an evolved technological infrastructure**.

New integrated AVL systems enable us to craft **innovative, multi-sensory solutions**, while our uniquely large, modular spaces — among the most generous in Milan — are enhanced by the passion and expertise of our team.

Our promise is simple yet absolute: to fully satisfy every creative vision and organizational need, with precision, agility and unmistakable Italian hospitality.

EVENTS

Transforming ideas into experiences.

With cutting-edge technologies, decades of operational know-how, and highly modular layouts, we stand out as a **premier partner for national and international event organizers**. Our approach is end-to-end: from strategic planning to scenographic design, from technical execution to guest experience. Every detail matters.

Guided by a team of specialists, we work with **reliability, active listening, speed and adaptability**, ensuring flawless delivery from concept to completion.

FOOD & DRINKS

A culinary offer curated by **Michelin-starred chef Andrea Ribaldone**, based on fresh, seasonal ingredients and the “km Buono” philosophy.

Show cooking, in-house bakery and flexible formats **ensure quality and consistency even for high-volume events.**

Restaurants, foyers, lounges and a 24/7 Grab&Go provide dynamic solutions for coffee breaks, business lunches and tailor-made banqueting.

SUITES & ROOMS

283 rooms and suites, among the most spacious in Milan, fully renovated with contemporary design and maximum functionality. Comfortable environments, advanced connectivity and solutions ideal for delegations, long stays and multi-day events.

The Studios Floor on the fifth level offers hybrid spaces, **perfect for business travellers and teams on the move.**

TAKE A BREAK!

Surprise your guests with a **unique culinary experience** inspired by the rich local tradition. Selected raw materials and **spectacular presentations** make our coffee breaks irresistible. The recipes we offer are delicious and nutritious, carefully prepared by our chefs. We select only the freshest and most authentic ingredients. We are able to **adapt to every need** and personalize the dishes with **your company brand**. Take advantage of our **delicious break options** that give the right pace and energy to your event.

LEADING WITH PURPOSE

Quark Hotel Milano invests in People, Planet, and the Future

At Quark Hotel Milano, **sustainability is a strategic pillar** that strengthens the value we offer to companies, event planners and international delegations.

With the **DCA ESG Certification**, the hotel ensures compliance with key areas and operates with tangible benefits for events:

- an electric mobility system supporting faster, greener logistics;
- partnerships such as Ethic Ocean, ensuring responsible sourcing;
- the use of WAMI water, recycled materials and continuous reduction of single-use plastics;
- responsible choices across amenities, paper goods and back-of-house operations.

For MICE organizers, this means **hosting events in a venue that aligns with modern corporate values** — a hotel where innovation, responsibility and Italian hospitality work together to support a **more sustainable future and elevate every event's impact**.

LOCATION

The hotel is located in a strategic, easily reachable position, **20 minutes from the Duomo di Milano, 15 minutes from Linate Airport** and in the vicinity of the two high-speed train stations: **Central Station at 20 minutes and Rogoredo at 15 minutes.**

Nearby there are the **Bocconi University**, the **Navigli** di Porta Ticinese, the **IEO**, the **IULM**, the **NABA**, the **Fondazione Prada**, the **Armani Silos** and many exclusive restaurants and clubs.

The privileged location makes Quark a new, competitive and accessible solution for business travelers.

HOW TO REACH

Railway Station "Milano Centrale": 6 Km 20 min

Arriving by Plane

Airport Milano Linate: 15 min
Airport Milano "Malpensa": 57 km
Airport Bergamo "Orio al Serio": 60 km

City Center

Dome of Milan: 4 Km - 20 min
Navigli Area: 10 min

Vigentino Distric

Milan Looks to the *Future*

Milan is gearing up to write a **new chapter in the city urban history** with the redevelopment projects of the **Vigentino** area, where the hotel is located, **Porta Romana**, and the nearby **Olympic Village**. These neighborhoods, rich in history and potential, are destined to become the future of the city thanks to an **ambitious vision of urban development**. With a focus on **sustainability, innovation, and community engagement**, the projects aim to redesign urban spaces to make them more livable, accessible, and active. This will include the creation of **new parks and green spaces**, the redevelopment of existing buildings, and the construction of **modern and sustainable infrastructure**. Through close collaboration between public authorities, private entities, and residents, the goal is to create an inclusive and **dynamic urban environment** that reflects the identity and needs of the Milanese community. With careful planning and a long-term vision, the **Vigentino area is poised to become a model of excellence** for urban redevelopment, inspiring cities worldwide.

A top-down view of a swimming pool deck. Two large teal umbrellas are open, casting shadows on the wooden deck. They are positioned over lounge chairs. The pool's edge is visible at the top of the frame.

NEW POOL

For open-air
events

An Exclusive *Summer Oasis* for your event in the City!

Quark Hotel presents its evocative **poolside area for private events**, a refined open-air setting where Milan's vibrant spirit meets contemporary style. It's the ideal backdrop for **sunset cocktails, product launches, or outdoor corporate gatherings**.

Its versatile layout allows for full customisation—from décor to culinary concepts—shaping a tailored experience.

With the Milan sky framing the scene, the Quark Hotel pool becomes the perfect location to surprise your guests with an iconic, memorable event.

CONFERENCE CENTER

Quark's Conference Center spans 3 levels (-2, -1, 0) and offers a total of 6,200 sqm of fully re-engineered event spaces.

The 35 meeting rooms now include three next-generation black-box plenaries — Expo, Scorpio and Quasar — redesigned with advanced AVL, 360° projection environments and high-performance infrastructure to support complex corporate productions.

Click and enter the Virtual Tours
